Clarity in Restaurant Chaos

Services

Facility Closures

Closures

Coordinating all actions to methodically extract furniture, fixtures, smallware and equipment from locations to redeploy or liquidate.

Headache Relief

From single projects at one location or multiple actions in a national program, We take care of you.

Equipment Management

Redeployment

Moving equipment from closed locations to operating ones for a fraction of the cost of buying new equipment.

Liquidation

Handling all logistics, pricing, sale, collection, and shipment of items and remitting proceeds to clients.

RestaurantEQ.info

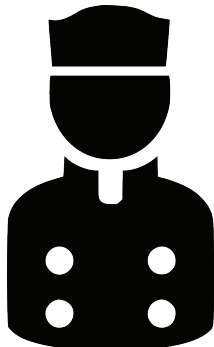

Facility Audits

Overseeing the documentation of inventory at restaurant locations and capturing critical equipment data and photographs of all items.

Valuation Services

Providing a disciplined approach including development of a master inventory, photo-documentation and valuation.

Concierge Programs

Restaurant Closure Program

We provide location assessment, removal of equipment, inventory management, redeployment of equipment, and equipment & asset disposition.

Clean Sweep Program

We relieve companies of that "pile up" headache and sell the surplus inventory, yielding a return.

Clarity in Restaurant Chaos

Liquidation Program

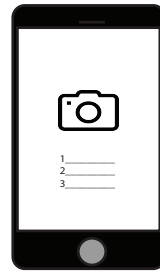

Using our app

#1 You have Surplus to Sell

Whether you have one piece of equipment or an entire chain of restaurants, we can handle it.

#2 Use App to Document Inventory

Our mobile app gives step by step instructions on how to document your inventory for auction.

#3 We launch the Auction

We have 30 years of liquidation experience and bidders from across the nation who compete for your items at www.RestaurantEquipment.bid. Once you give us the data, we market the auctions and handle all customer inquiries and collections.

#4 Schedule a pickup time

We arrange a time at your convenience for winning bidders to pick up their items. Often a few hours in a single day.

#5 Get paid

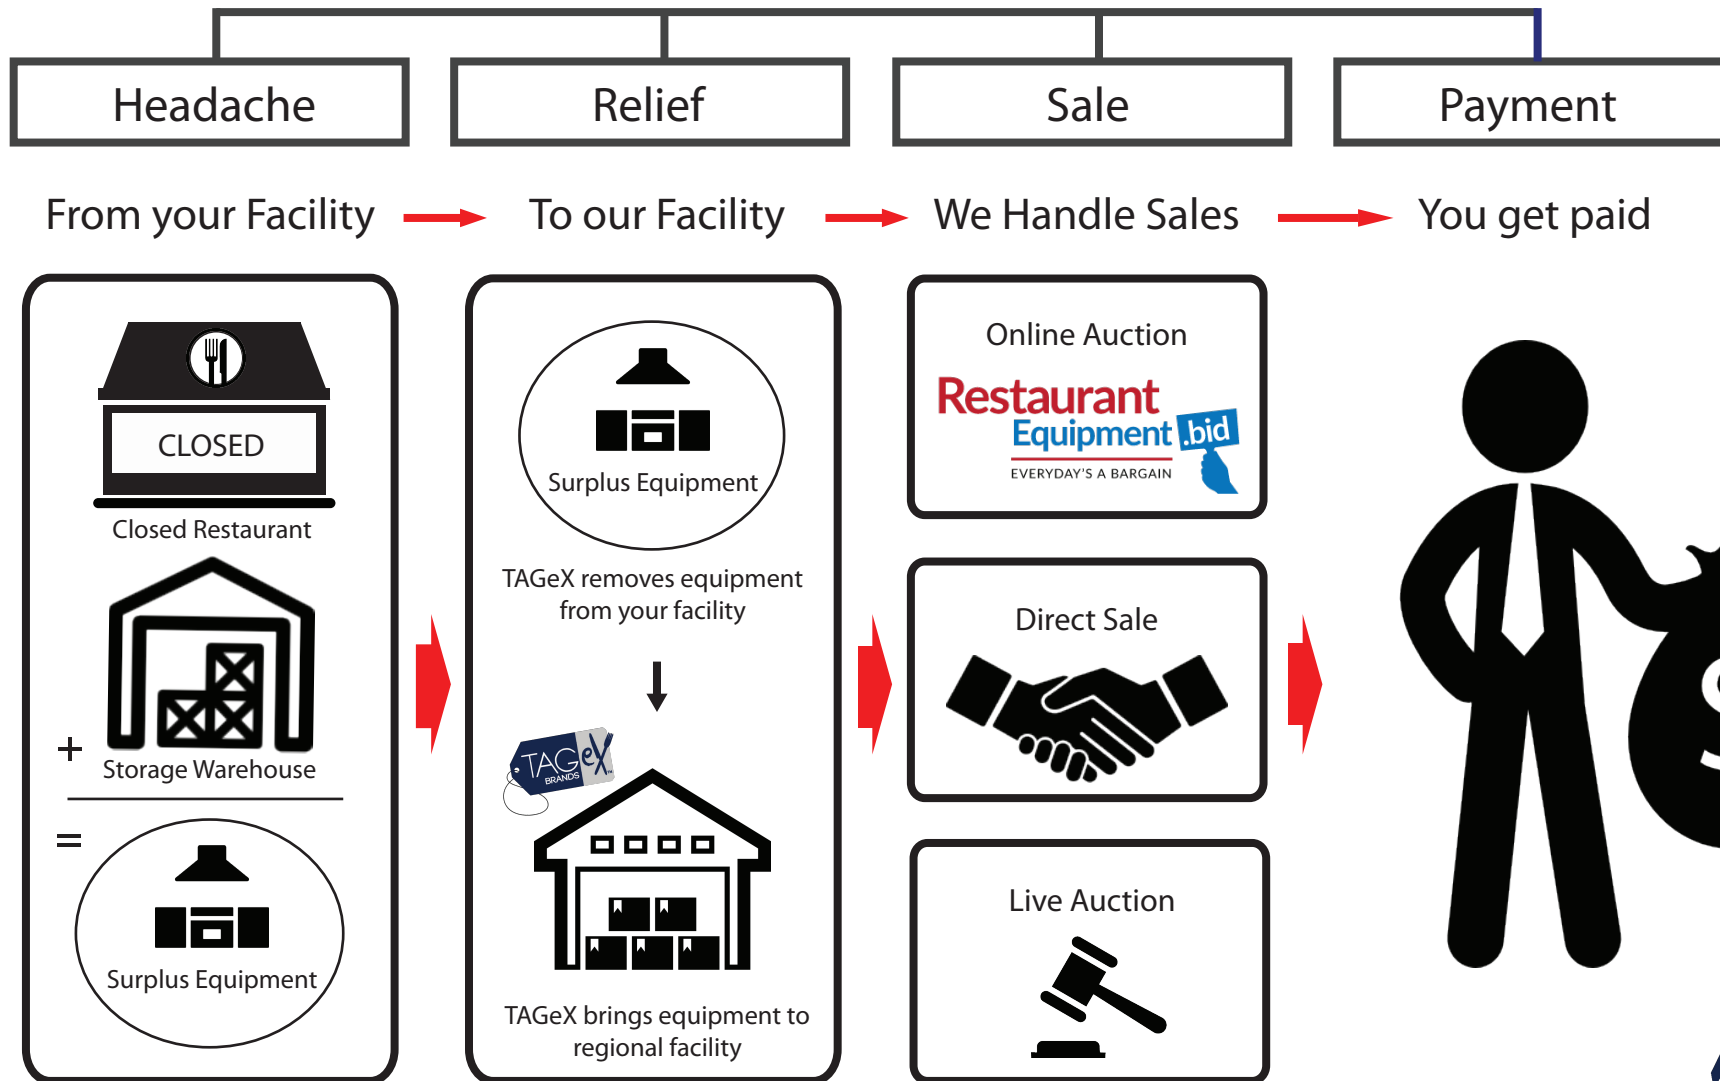

We cut you a check for your proceeds.
